Relevant Construction Experience & Accomplishments

Commercial / Mixed Use

Royal Car Wash: 2376 W. Ridge Road, Rochester, NY 14626

- Managed the new construction of a 4000 SF car wash facility. The structure is constructed of masonry with wood framing and a asphalt shingle roof.

Bonadio Expansion: 171 Sully's Trail Road, Pittsford, NY 14534

- Led the fast track expansion of Class A office space for a growing consulting firm, including a new employee lounge/cafe area. The phased renovations were coordinated to have no impact on the function of the occupied office.

Lexington Machining: 677 Buffalo Road, Rochester, NY 14611

- Supervised the construction of a new electric service room, housing a new 5000 amp service to accomodate the manufacturing facility.

Woodcliff Office Park: 290 Woodcliff Drive, Fairport, NY 14450

- Managed the high-end restroom upgrades on two floors, including tile and other finishes.

Telesca Center for Justice: One West Main Street, Rochester, NY 14614

- Oversaw the multi-phase renovations of multiple floors of an office building located in the heart of downtown Rochester. Lobby finishes include new tile, ceilings, display stands, and a coffee bar. Second floor renovations include the creation of a conference room and offices. Minor cosmetic renovations were made to both the 3rd and 10th floors.

Papaya Asian Kitchen & Bar: 270 Miracle Drive, Rochester, NY 14623

- Supervised the complete interior renovation of 6500SF of restaurant space located at Marketplace Mall. A modern renovation featuring old world charm. The ceiling panels, made from stretched fabric, are not only decorative but minimize sound as well.

Liberty Mutual: Multiple Project Sites

- Managed multiple upstate New York retail storefront renovations, providing offices and meeting spaces. The projects were complete interior transformations, including that of a former restaurant into retail space.
