Relevant Construction Experience & Accomplishments

Residential

Entire Home: *Private Residence, Brighton, NY 14610*

- Supervised the cosmetic renovation of an entire home including new hardwood floors, painting, electric, and minor carpentry. Project also included major renovations to the master suite.

Fire Restoration: *Private Residence, Fairport, NY 14450*

- Provided supervision for the fire restoration of the 1st & 2nd floors of the house, and the addition of two dormers & a covered porch roof. Primary floor renovations including the Master bedroom and bath, living room, and a sitting room with fireplace. Second floor renovations included two bedrooms, a bathroom and an office.

Lake Home: *Private Residence, Canandaigua, NY 14420*

- Oversaw an entire home renovation containing new wood beams and new doors & hardware throughout. The lower level transformation includes a new bath & bedroom, stonework front entrance portico and a copper roof timber structure.

Commercial

Liberty Mutual: *Victor, NY 14564*

- Managed an upstate retail storefront renovation, providing offices and meeting spaces. The project was a complete interior renovation, transforming a former restaurant into retail space.

Front Runner: *East Rochester, NY 14445*

- Led the interior renovation of office/warehouse space into offices, two conference rooms, an IT room, and a kitchen with breakroom.

Harris Beach Restrooms: *Pittsford, NY 14534*

- Supervised the complete renovation of four existing restrooms located on the ground floor, totaling approximately 1,200 SF. The renovation included demolition, new partitions, ceilings, ceramic tile, paint, and minor mechanical/electrical modifications.

Coldwater Animal Hospital: *Rochester, NY 14626*

- Provided supervision for the renovation of an existing animal hospital. Upgrades included new animal cages, new food storage and prep areas, a remodeled break room and treatment rooms.
